

Prescription drug benefits

All our medical plans include prescription drug coverage, so you get safe, affordable access to covered medications.

Easy-to-use digital tools

Log in at ibx.com to find a network pharmacy, estimate drug costs, review claims, and submit mail order requests.

Mail order convenience

Mail order/home delivery with free shipping is available for medication you take regularly. In most plans, you'll pay less for a 90-day supply when you use mail order/home delivery.

You can also get a 90-day supply of your maintenance medications at Rite Aid retail pharmacies for the same cost-sharing as mail order.

Specialty drug savings

Our specialty pharmacy program provides convenient delivery options and support for members with complex conditions, including cancer, hemophilia, hepatitis C, HIV/AIDS, rheumatoid arthritis, multiple sclerosis, and other inflammatory conditions. You'll get counseling from experienced pharmacists and nurses by phone or video chat and access to videos and other resources.

Save with lower-cost alternatives

We're helping members save money. You'll pay less when your doctor prescribes generic and lower-cost brand alternatives. We make it easier for doctors to select more affordable medications because many can see how much you'll pay for a medication while they're choosing one to prescribe for you.

See what's covered

Your drug formulary is a list of drugs covered by your prescription drug plan. To see if a prescribed medication is on your formulary and how much you will pay out-of-pocket for it, log in at ibx.com or call the Pharmacy Benefits number on the back of your member ID card.

The Value Formulary has five tiers of cost-sharing for prescription drugs, with generic drugs being the most affordable.
